

THE MULTIPLAYER WORD BATTLE

Build words. Steal tiles. Take the lead.

A turn-based word game where vocabulary meets territory. Spell words on a shared board, capture rival tiles, and turn their points into yours.

HOW IT PLAYS

- 01 Build on the board**
Start from a played letter and spell your next move.
- 02 Capture and defend**
Take rival tiles while protecting your own score.
- 03 Make every turn count**
Most points when the turns run out wins.

2-4 PLAYERS

SOLO VS. COMPUTER

PLAY AT YOUR PACE

WHY PLAYERS COME BACK

Competition that fits real life

Asynchronous turns, move notifications, and in-game chat keep the rivalry going.

More ways to clash

Play friends or the computer. Customize board size, word length, and turn settings.

A social invitation to play

Guest entry, shareable results, and rematches make it easy to start another round.

PARTNERSHIP IDEAS TO EXPLORE

Community challenges

Explore friendly competitions with creators, clubs, or brand communities.

Creator collaborations

Showcase clever plays, dramatic captures, and rematch rivalries in social content.

Promotion partnerships

Explore co-marketing and campaigns that introduce new players to the game.

Let's talk words.
